

CORAL DUO

WALL LIGHT

Designed and Handmade by Oliver Höglund & Ryan Roberts

Embellish your walls with the Coral Duo wall light and add a modern contemporary feature ideal for kitchens, bedrooms, bathrooms and entryways. This statement piece features two hand-blown glass discs available in both clear and frosted finishes. Tailor it to your preferences by selecting a wall plate finish of brass finish, matte black, matte white, medium bronze or steel finish and set the mood of your space with a choice of warm, warm white, or white LED temperatures. Meticulously hand-blown using premium Swedish clear glass, each disc carries the distinctiveness of SOKTAS Glass designs, promising an unparalleled and personalised lighting masterpiece that adds both elegance and character to your space.

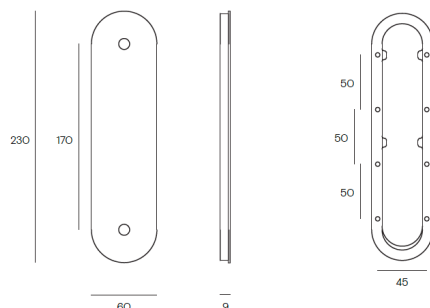

Hand Made in Currumbin, Australia.

MOUNTING

To install the glass piece, hold the glass against the LED housing and thread the 30mm threaded cap into the LED housing.

*Ensure the rubber o-ring(s) are installed in the correct position. If the glass is not held firmly when the threaded cap is fully screwed in, install the second o-ring behind the glass.
