SØKTAS

CORAL FROSTED WALL LIGHT

Designed and Handmade by Oliver Höglund & Ryan Roberts

Embellish your walls with the Coral wall light, available in both clear and frosted finishes. This statement piece adds a modern contemporary feature ideal for kitchens, bedrooms, bathrooms and entryways. Tailor it to your preferences by selecting a wall plate finish of brass finish, matte black, matte white, medium bronze or steel finish and set the mood of your space with a choice of warm, warm white, or white LED temperatures. Meticulously hand-blown using premium Swedish clear glass, each disc carries the distinctiveness of SOKTAS Glass designs, promising an unparalleled and personalised lighting masterpiece that adds both elegance and character to your space.

Hand Made in Currumbin, Australia.

Mounting	Integral Wall Bracket
Certification	CE / AS/NZS - 60598.2.1

DIMENSIONS

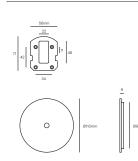

Glass Installation

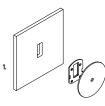

To install the glass piece, hold the glass against the LED housing and thread the 30mm threaded cap into the LED housing

*Ensure the rubber o-rings are installed in the correct position, with 2 behind the glass and 1 in-front on the glass. If the glass is not held firmly when the threaded cap is fully screwed in, install an extra o-ring in front of the class.

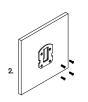

MOUNTING

Installation Instructions

The transformer needs to be ssible for maintenance purpos

rew the mounting plate to the wall using propriate fasteners for the wall substrate.
