

SOL

WALL LIGHT

Designed and Handmade by Oliver Höglund & Ryan Roberts

Brighten your environment with the Sol wall light, a sophisticated clear glass-blown fixture designed to elevate bathrooms, hallways, and kitchen spaces. Directly translating to “sun” in Norwegian, the Sol light infuses the same warmth into any setting it graces. Tailor it to your preferences by selecting a wall plate finish of brass finish, matte black, matte white, medium bronze or steel finish and set the mood of your space with a choice of warm, warm white, or white LED temperatures. Meticulously hand-blown using premium Swedish clear glass, each piece carries the distinctiveness of SOKTAS Glass designs, promising an unparalleled and personalised lighting masterpiece that adds both elegance and character to your space.

Hand-Blown in Currumbin, Australia.
